Describe the duties and responsibilities of your current position.

I oversee the Civil Division of the City Attorney's office, which includes a team of eight attorneys, and I also handle a variety of litigation and advisory matters in the areas of constitutional, tort, and telecommunications law.

Describe what in your background will make you a valuable member of the SCAN NATOA Board or as President Elect.

Relevant law practice, as well as an interest in educating and advancing the interests of SCAN members, as demonstrated by my past participation in SCAN events and activities.

Describe your involvement in SCAN NATOA activities to date.

Board member from 2008 to present, President from 2010-2012, SCAN member of the year 2013 and 2017, frequent speaker at SCAN chapter meetings and conferences, and active in various legislative, administrative, and court proceedings of SCAN members' interest.

Describe in detail what SCAN NATOA, as an organization should be doing to better serve the needs of our members. How would you propose implementation of your ideas?

In addition to offering timely topics through periodic chapter meetings, SCAN should continue to advocate against efforts to (1) hamstring PEG budgets; and (2) diminish local authority over wireless facilities. SCAN has been actively involved in advocating on both of these issues at the state and federal level, and should continue its activity.

Summarize why you want to serve on the SCAN NATOA Board of Directors or as President.

I would like to serve on the Board to further contribute to SCAN, promoting the interests of local governments in regulating video and telecommunications providers and PEG programs and facilities.
